THE EXPECT  
HOPE INTERNSHIP

A NEW ERA  
OF LEADERS IN  
MISSIONS AND MINISTRY

# LETTER FROM THE FOUNDERS

Aaron and Teri Bagwell, Founders and Directors of Expect Hope

## DEAR FUTURE WORLD CHANGER,

Have you ever dreamed of working with a team of passionate visionaries to change the world for those in need? Have you ever wondered if there was a way to travel the world, receive a valuable education, and help children suffering from injustice?

In 2015, we formed an organization called Expect Hope because we knew that something had to be done to rescue children from extreme poverty and injustice. Our team is comprised of dedicated leaders who are making a sustainable difference for children living in third-world nations. We want to invite you to join a new era of leaders in missions and ministry. This is your call to Generation1:27.

Our dream is to see a new generation emerge to become leaders in missions and ministry and to continue to make an impact in the lives of people all around this world. We created the Generation1:27 internship program to give young leaders the chance to work first hand on real humanitarian projects, gain valuable education in a variety of topics from business, personal development, and missions and ministry. We believe that you have the ability to change the world, and we are excited to have you consider joining us to make a difference.

**Sincerely,**

**AARON AND TERI BAGWELL**

Executive Directors  
Expect Hope

GENERATION 1:27

## THE PROGRAM

**GENERATION1:27** is a year packed full of in-depth training, hands-on experience with real humanitarian projects, developing professional skills in leadership, fundraising, and international business, along with cultivating and understanding your spiritual gifts. Our team is composed of experienced leaders in ministry, nonprofit work, and international humanitarian efforts and have created a program that allows interns to develop real skills that prepare them for a life of success and leadership.

A NEW ERA

# INTERNSHIP LIFE

## INTERNSHIP LIFE

When you join us as a part of GENERATION1:27 you can come with anticipation of being welcomed to the team as a valuable member. Each week you will work with the leadership of Expect Hope and collaborate with fellow GEN1:27 members on real projects. In addition to hands-on opportunities at Expect Hope, we will host weekly devotionals and leadership training sessions that will help you grow spiritually and as a leader.

The program, including classroom training, team projects, and hands-on work within Expect Hope runs from 9AM - 5PM Monday through Thursday. In your time outside of the program we understand that you may wish to have a part-time job, hang out with friends and other GEN1:27ers, and explore everything that Arizona has to offer. We encourage you to use your time spent with us to find what you're passionate about and explore with freedom!

## OUR FAITH

Our mission at Expect Hope is guided by our faith. Even the name GENERATION1:27 is rooted in the verse James 1:27 which is our call to visit orphans and widows in their distress and refusing to let the world corrupt us. Every week you'll have the opportunity to participate in devotionals and mentorship that will help you find your spiritual giftings and understand the unique journey that God has made for you.

Every week, Expect Hope's leadership team attends church and serves in Phoenix. We encourage you to join us!

## HOUSING

With members of GEN1:27 joining us in Arizona from all over the US, we wanted to help provide housing for all of our interns. You will share a two-bedroom apartment with fellow interns of the same gender and have access to the possible amenities offered by the apartment complex such as laundry rooms, pools and hot tubs, and gym memberships.

## GENERATION 1:27 MISSIONS TRIP

### EXPERIENCE TO ACTION

At the end of your year spent training and implementing real projects that are bringing sustainable food, clothing, shelter, access to healthcare, love, and education to children around the world, we will embark on a week-long journey to visit and work in one of the countries you have made an impact in. While there, you will have the opportunity to help us conduct hands on field work, experience new cultures and cuisines, and meet the children supported as a direct result of everything you have learned throughout the year. This trip is fully covered by the cost of tuition and is a truly life-changing experience!

## OPPORTUNITIES AFTER THE PROGRAM

### PURSUING YOUR DESTINY

After learning valuable skills from leaders in the fields of missions and ministry, our goal is that you would be well equipped to pursue your own passions and begin to use your skills and experience to impact the world. Whether you have a dream to build a church, travel around the globe to minister, or live in a foreign country to build houses for people in need, we want to make those dreams achievable. As Expect Hope continues to expand, we have a desire to support you on your journey as a leader in missions and ministry. Upon successful completion of the program, we would like to be a resource for your next steps through networking, recommendations, or even a more permanent position at Expect Hope.

# PROGRAM COST & FUNDRAISING

## PROGRAM COST

**\$8495**

One of our biggest goals in developing GEN1:27 was to create a program that gave interns a one-of-a-kind opportunity to gain real experience in missions and ministry, develop their gifts and talents, and make a lasting impact all over the world at a price that is lower than the cost of a year at a state university.

The cost of Generation1:27 is \$8495 for the entire program and includes all of the following:

- **HOUSING**
  - Including rent, utilities, wifi, and apartment furnishings.
- **PROGRAM MATERIALS**
- **GROUP ACTIVITIES**
- **MISSIONS TRIP**
- **ACCESS TO PROFESSIONAL RESOURCES**

## FUNDRAISING FOR YOUR COST

At Expect Hope, we love fundraising (It's kinda our thing). We believe that big dreams require big effort but that shouldn't have to be intimidating. When you decide to join our team as a member of GEN1:27 we will give you everything you need to fundraise for the cost of your internship and give you expert strategies to get support from friends, relatives, and even your barber! All donations given towards your internship cost are tax deductible.

## WILL TRANSPORTATION BE PROVIDED?

GEN1:27 members are encouraged to bring a vehicle if they are able to do so. Interns are welcome to share rides and use ride services at their own risk.

## IS THIS A PAID INTERNSHIP?

GEN1:27 is not a paid internship but we strongly believe that every dollar invested will result in a wealth of skills, experiences, and opportunities that will prepare you for success.

## CAN I HAVE A JOB WHILE IN THE PROGRAM?

In your free time during the week and on weekends, we welcome interns to find part-time job opportunities. We would advise that students plan carefully so that their schedule does not conflict with the requirements of the internship program.

## IS THIS AN ACCREDITED PROGRAM?

Our program does not yet offer college credit but is recognized by ministry leaders all over the US for its ability to prepare interns for leadership positions in missions and ministry.

## WILL THERE BE TIME OFF FROM THE PROGRAM?

GEN1:27 is a program that values consistent and productive effort that models a real position within an organization. However, we understand that time to rest and visit family is incredibly important. Throughout the year you will have scheduled breaks from the program to rest, relax, and visit family if you chose to do so.

## WILL THERE BE A JOB OFFER AT THE END OF THE PROGRAM?

While GEN1:27 is not a competitive internship program, the experience you receive will help prepare you and give you a competitive advantage as a candidate. As positions at Expect Hope become available, we encourage you to apply!
